of the state aid bill itself. I stated on the floor that the rotunda was busy and I could name them but those that did not want the food credit increase to reflect the additional state aid. Senator Whitney a leading proponent consistently did state on the floor that there was plenty of time to do this next year. I think that it is unfortunate that this kind of misleading information is printed. I would hope that those who are responsible would read just exactly what did happen and make the correction to reflect the actual purpose of Senator Maresh's bill and what it accomplishes at this time.

PRESIDENT: Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: I would like to suggest that we have no more personal privileges until after we are through with Final Reading. I can understand the position of Senator Warner and Senator Dickinson, I feel likely, but I think we ought to postpone all of this until we are through with Final Reading and then participate.

PRESIDENT: Thank you. Continue with the Final Reading of LB825. The Assistant Clerk will read the bill.

CLERK: Read LB825.
